Hayhurst Unity Garden

Summer Water Sign Up

Watering Help Needed

Our garden is growing! Thanks to some of our staff and students, we have planted a variety of seeds in our school garden. The Hayhurst Garden Committee is looking for help with summer watering. It's a 30-40 minute job a few days a week, as needed. Consider taking one week over the summer to water the plants in the school garden, as needed.

We're using SignUp.com (the leading online SignUp and reminder tool) to organize our upcoming SignUps. Here's how it works in 3 easy steps:

- 1) Click this link to see our SignUp on SignUp.com: <https://signup.com/go/akDgZsj>
- 2) Review the options listed and choose the spot(s) you like. Ideally a family would sign up for 7 consecutive days with watering on some of those days. You can also share the week with another family. Sign up for each day you will be monitoring the garden.
- 3) Sign up! It's Easy - you will NOT need to register an account or keep a password on SignUp.com.

Note: SignUp.com does not share your email address with anyone. If you prefer not to use your email address, please contact me and I can sign you up manually.
